**Subject:** West Lake Landfill: review of PRP work plan for groundwater fate and transport modeling  
[FT Modeling SOW 4-22-2013.pdf](#)

John, Cecilia asked me to have you review the PRP's workplan for doing a fate and transport model for radiological waste migration in groundwater from the OU-1 cells. Please take a look at it and send me any comments you have. Can you do this in the next two weeks or so?

Thanks,
